CITY PARK ENDS WITH ANGRY MOB

Spectators Hooted Decision of Judges in Handicap.

THOUGHT ENVOY HAD WON

When Gamara's Number Appeared There Was Trouble—Heavy Play on Lucky Horse.

NEW ORLEANS, La., April 7.—Instead of the City Park winter racing season winding up in a blaze of glory, as was looked for, the big crowd that journeyed to see it finish almost hissed the judges out today for fully ten minutes over the result which they announced in the handicap which was fourth and the feature race of the day.

The field was reduced to four starters by withdrawals. Debar, who was given the post of honor, and P. Dunne's Envoy had the call in the betting over the other two, and ruled equal favorites throughout the speculation with Gamara second choice and probably the heaviest played horse of the day.

Lacy Young started away from the barrier running and making the pace for the first half mile, with Debar and Envoy running head-and-head until the half-mile pole was passed, where Debar took the lead. Debar raced away from his field, and opening up a winning lead, began to tire after getting inside the last furlong, and gave way to Envoy.

Crowd Was Angry.

In the meantime Pendergast allowed Gamara to drop out, but slipped through on the rail at the seventy-yard pole, and bringing up his mount with a rush, managed to secure the decision by a head.

It appeared from the grandstand that Envoy had won the race by a head, and when the judges hung out Gamara's number first the crowd began to hiss, hiss, and make other noises that kept up until long after the official result was announced. The decision, judging by the amount of disapproval, was the most unpopular one of the meeting.

Okenite Rank Failure In Benning's Feature

Ran Dull, Dead Race and Wasn't In the Money. Belmont Refused \$25,000 for Him. Douro a Shock.

A remarkable thing happened at Benning yesterday. J. Pell Tiptan, the well-known thoroughbred and show horse broker, of New York and London, made John Whalen, representative of the August Belmont racing interests at the meeting, an offer of \$25,000 for the two-year-old Okenite, before the beginning of the day's racing. Tiptan was said to represent Paul Rainey, of Cleveland, Ohio, who had purchased the two-year-old Computer for \$8,000 on last Thursday from E. W. Walden. Whalen declared that Mr. Belmont's direction to him (Whalen) was to say that nothing this side of \$100,000 would occasion him to think of letting go Okenite.

Okenite Didn't Show.

An hour later, in the Washington Nursery Stakes, the feature event of the day, at four and one-half furlongs, Okenite failed to show in the money, out, running a dead, dull race, finished away back, thoroughly beaten. Then Okenite's stock fell. However, the Belmont colors showed in front, as Curriculum, another son of Hastings, and the forlorn hope of the stable, came on, and, showing great improvement, won a second race, after having been practically left Royal Window, heavily played the last time, again disappointed the talent and was an indifferent third.

The Summaries.

First race—Selling: four-year-olds and up; seven furlongs. Jack McKee, 95 (Drolette), 3 to 1, won; Nattie Bumpo, 92 (Bryan), 30 to 1, second; Paul Clifford, 95 (Keyes), 12 to 1, third. Time, 1:30. Workman, Yorkshire Lad, Wad-dell, Proceeds and Arsenal also ran.

Second race—The Washington Nursery Stakes for two-year-olds; four and one-half furlongs. Curriculum, 110 (C. Morris), 1 to 1, won; Andy Vera, 110 (Miller), 9 to 1, second; Campaigner, 113 (Knapp), 10 to 1, third. Time, 0:57.5. Manilla, Okenite, Mammy Moo, and Al-berion also ran.

Third race—Purse; for maiden three-year-olds and upward; seven furlongs. Kuro, 102 (Miller), 6 to 5, won; Frills, 97 (Knap), 11 to 1, second; Radical, 102 (Springer), 10 to 1, third. Time, 1:31.5. Paprika, Liger, Pete Dalley, Elton Weaver, Contractor, and Flatter-ess also ran.

Fourth race—Spring Handicap Steeplechase, about two and a half miles. Douro, 146 (Rodroch), 2 to 1, won; Copper, 148 (Gallagher), 12 to 1, second; Phantom, 148 (Ray), 8 to 5, third. Time, 6:01. Oleroso, Yama Christy, Lexky also ran.

Fifth race—Purse; two-year-olds; four and a half furlongs. Al Powell, 107 (Knap), 3 to 1, won; Woodchuck, 104 (J. Jones), 3 to 1, second; Towson, 103 (Miller), 13 to 5, third. Time, 0:57.5. Sunburst and Powderhorn also ran.

Sixth race—Selling; for three-year-olds and up; mile and 100 yards. Cavalry, 170 (Springer), 20 to 1, won; Watercourse, 97 (Romanelli), 20 to 1, second; Royal Window, 102 (Diggle), 6 to 1, third. Time, 1:32. Setauke, Towson, Phoebe, Dixie Andrews, The Veiled Lady, and Saladin also ran.

Bumpo, with Paul Clifford third. Nattie Bumpo had the most speed and led by three lengths to the stretch, where he began to tire, and the little negro, Bryant, was no help to him in the drive.

Easy for Kuro.

Yorkshire Lad, probably the best horse in the race, got a very bad ride. Should do next time. Kuro, the favorite, was never extended to win the maiden race by five lengths from Frills, the second choice. Radical was third, one and a half lengths away.

Al Powell made Woodchuck look like a plater in the fifth.

In the sixth Father Bill Daly put over Carrol at the sweet price of 20 to 1. Watercourse, another outsider, was a good second, after having been practically left Royal Window, heavily played the last time, again disappointed the talent and was an indifferent third.

SECURITY EASILY BEAT GOLD ROSE

Won By Two Lengths at Fair Grounds.

GREAT DAY FOR HILDRETH

Two of His Montgomery Handicap Candidates Delivered the Goods—Rapid Water Took Overnight.

NEW ORLEANS, April 7.—Sam Hildreth wound up his winter race season in the proverbial "blaze of glory" fashion by taking the two principal races at the Fair Grounds this afternoon, the overnight handicap at one and one-sixteenth miles for a purse of \$500 and the seven-furlong condition race, purse \$500. Incidentally, he demonstrated to the satisfaction of the big half-holiday crowd that he holds a strong hand in the Montgomery Handicap and also in the Tennessee Derby. He had three of his Montgomery candidates in the handicap, but decided to place his reliance on securing the big end of the purse in Rapid Water and Logistilla, and to give his derby colt, Security, a try-out against the four-year-old speed marvel, Gold Rose, in the seven-furlong dash.

Wore Down Gold Rose.

Chief interest in the afternoon's racing attached to the showing of Security, for the conditions of the race required him to concede lumps of weight to everything else in the race. He proved equal to the task imposed upon him. Gold Rose outran him the first two furlongs, and came to the turn with a lead of two lengths. In the run home, however, he wore her down, and passing her out in the final sixteenth, beat her two lengths and easily in the fast time of 1:28.3-5.

First Grounds Summaries.

HUSEMAN WINNER FROM STRONG BOY

Threw Joe Ramsey in New York—Trying to Have Bothner Meet Him Here.

Frank Huseman, the Washington lightweight wrestler, writes that he won his match in New York on Friday night with Joe Ramsey, the Brooklyn strong boy, at the Unique, without much trouble. He gained the first fall in 9 minutes and the second in 14 minutes.

Huseman is to wrestle again in New York on Tuesday, and because of that engagement could not be in Washington on that night to wrestle Andy Smith in the series of bouts which will precede the Grant-Monday affair. Huseman also writes that he has had a talk with George Bothner, the lightweight champion, since reaching New York, and Bothner is favorably impressed with a proposition to wrestle the Washington man in this city. A go between Huseman and Bothner should be unusually interesting, as it has been some time since any of the champion little men have shown here.
